## One Call Protects Your Investment And Keeps Down time to a Minimum

Nissan's "Demand the Brand" Program helps keep your Nissan Forklift operating at maximum performance. Backed by the best warranties in the industry – *800 hours or 180 days when installed by an authorized Nissan dealer including labor!!* Try to get the competition's "replacement aftermarket" parts backed with a similar warranty.

Insist on using Genuine OEM Quality Nissan service parts installed by factory trained technicians!
